

## Monarch Park Stadium Camp Testimonials

Anonymous	I have nothing but glowing things to say about Monarch Park Camps! Every time I walk in, the kids and staff are smiling and having a great time. The staff is always helpful and they have endless amounts of energy. We have loved our time at Monarch Park this Summer and will 100% sign up for further camps.
Anonymous	This was my daughter Poppy's third year of camp, and I found it much improved over past years! Thanks so much to all the amazing staff (big thanks especially to Chesdean, Chynna and Zoe!) We were on the fence about enrolling for another summer, but after these past 2 camp weeks, you'll see Poppy and George for sure again next summer! Amazing organization, enthusiasm and communication.
Anonymous	I was impressed by the measures taken to make sure kids are only picked up by an authorised person. Compared to some camps where they don't note the name or phone # of that person (let alone see their ID), this one takes the prize!
Anonymous	Loved the Facebook pictures. Felt in touch and was nice to see the kids in action.
Anonymous	You guys went above and beyond this year on activities and it was so appreciated. James had an awesome time every week! Thanks for your hard work to make the camp really wonderful this year.
